

# Second Homes (estimate) October 2009

Second homes data provided by Council Tax records by postcode, October 2009  
 Numerator, Dwelling Stock by Council Tax Band (Total), from Neighbourhood Statistics, 2007  
 Data is an estimate because it has been aggregated from postcode to LSOA  
 using the National Statistics Postcode Directory, the boundaries for which do not align.  
 The data (second homes) and numerator (all dwellings) are also from different time periods.
