7. Report of the Town Council

The Town Mayor will present her annual report followed by any questions.

8. Matters Raised by the Electorate

The Neighbourhood Development Plan includes a section on implementation, monitoring and review which commits the Town Council to put in place mechanisms for ensuring that the Plan is being followed. It proposes that the Town Council should establish a sub-committee for this purpose, with proposals for how it might work. Now that the Plan is made, will the TC consider this as part of its work for the coming year?
