

DOROTHYST *Pictures*

Dear Residents,

We are writing to you as the Producers of an upcoming BBC Films/BFI feature film shooting in Falmouth and Pendeen this Summer by the production company Dorothy St Pictures.

The film is a coming of age story about two 11 year old children who meet on their summer holiday in Cornwall in 1991.

We will be filming in and around Pendeen between 12st August – 2nd September 2022 and are keen to involve the village and residents in the film where possible and to ensure as little disruption to the local area too.

We will be holding a meeting in the Parish Hall, Pendeen at **7pm on Monday 18th July** to speak about the film and to answer any questions that you might have about filming and our schedule.

The writer/director Lucy Cohen will be present, as well as producers Julia Nottingham and Ariadne Kotsaki, Laura Giles from Screen Cornwall and Henry Simmons, the Location Manager.

We look forward to discussing the plans for the film, answering any questions and sharing any further information in the meeting.

King regards,

Julia Nottingham & Ariadne Kotsaki

Dorothy St Pictures
